NATIONAL PEDESTRIAN SAFETY MONTH

Driving Safety Tips

SLOW DOWN

and be prepared to stop when turning or otherwise entering a crosswalk. Never pass vehicles stopped at a crosswalk. There may be people crossing that you can't see.

FOLLOW THE SPEED LIMIT

especially around people on the street. Follow slower speed limits in school zones and in neighborhoods where children are present.

LOOK OUT FOR PEDESTRIANS

everywhere, at all times. Use extra caution when driving in hard-to-see conditions, such as nighttime or bad weather.

YIELD TO PEDESTRIANS

in crosswalks, and stop well back from the crosswalk to give other vehicles an opportunity to see and stop for the crossing pedestrians.

BE EXTRA CAUTIOUS

when backing up—pedestrians can move into your path.

TOWN OF Smyrna, Delaware

A LEGACY OF STRENGTH

Founded in 1768, the Town of Smyrna in Kent County, Delaware was originally known as Duck Creek Crossroads. There are two accounts of the origins of the name Smyrna, one being that it is named after the Greek seaport. The other suggests that the community was so moved by a sermon given by Methodist preacher Frances Ashbury about a church in the Book of Revelation, that they felt compelled to give their community the same name. In either case, the town officially became Smyrna in 1806.

Until the 1850s, the community was a prosperous port, shipping goods along Duck Creek. Smyrna continued as a center of agriculture through the 19th century, and today is home to 12,000 people – and a bevy of rapidly growing residential and industrial opportunities. Blessed with attractive heritage architecture and beautiful natural surroundings, Smyrna offers quaint, small town ambience with a deep connection to community.

LEAF COLLECTION

From September 15th through December 31st, you will see the Town of Smyrna Public Works crews picking up piles of leaves from curbside with our leaf machine.

The machine will ONLY pick up loose leaves.

Do not include any mixed yard waste material in your piles. Please separate all other yard waste (sticks, brush, and garden clippings) from loose leaf piles and place these into your yard waste container. This allows for the proper recycling of all materials and avoids equipment damage.

DO NOT pile leaves in the street or around fire hydrants.

Place loose leaf piles at the edge of your property, but not in the gutter or road. Leaves in the road can become a traffic hazard. When it rains, leaves will plug catch basins, causing dangerous road conditions and flooding.

Join the Town of Smyrna in celebrating National Hispanic Heritage Month and expressing our appreciation of our Hispanic staff, residents, and community members!

Each year, the United States observes National Hispanic Heritage Month from September 15 to October 15 by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America. The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President

Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on approval of Public Law 100-402.
